Vice Principal: Dennis Pavan
Vice Principal: Jonathan Tagulao

To the Notre Dame Community and Neighbours,

Notre Dame Regional Secondary School Building Committee has been granted approval by the City of Vancouver to commence construction of new school activity field. The project is scheduled to begin over the next week with the City approved tree work forming part of the initial stages of work to be addressed on the property.

We are expecting some equipment to arrive to the site next week as part of the general contractors mobilization. As site mobilization is underway, we anticipate minimal, if any, disruption to surrounding traffic or to our neighbours. Furthermore, our general contractors will be adhering to the City of Vancouver's construction bylaws that stipulate that construction is only to be carried out during the following hours:

- between 7:30 am and 8 pm on any weekday that is not a holiday
- between 10 am and 8 pm on any Saturday that is not a holiday
- any construction outside permitted hours requires city permission

Further details will be communicated through our school website and via email to those who have indicated that they would like to be part of our community-relations email updates. If you would like to be added to our email list please send an email to community.relations@ndrs.org . We are planning to have quarterly meetings tentatively scheduled for June 25th, August 27th, October 15th and December 15th.

We look forward to providing further details as we receive them. If you have any questions or concerns, please contact the school via email at community.relations@ndrs.org .

Warm Regards,
Notre Dame Regional Secondary
